To

J.S.Chakravarti, Esquire, M.A., F.R.A.S.,

Financial Secretary to

Mysore Government.

Sir,

We, the members of the late Kille Cutcherry Bakshi Tippaiah's family, in submitting herewith a copy of the Memorial addressed to His Highness the Maharaja of Mysore for your honour's kind perusal and consideration, most respectfully beg to state that it will not be out of place here to mention how your honour conferred a boon on us by granting a further loan of Rs.8,000/- on the security of the same Jahagir Villages which were already being sunk under heavy encumbrances in 1909 when the Jahagir was about to pass away out of the family by the Court Sale and that we are highly indebted to you for it.

Should your honour not condescend to rescue the family, to whichwe belong, by granting our prayer referred to in the enclosed memorial for reasons stated therein, from falling into utter oblivion, it will, in the near future, be effaced out of the memory of the Mysore State to which its ancestors were so lovally devoted and earned unqulaified approbation at its hands for the last three centuries.

Therefore we implore that your honour may be moved by sense of justice and benevolence to continue the kind patronage which you were generously bestowed upon us in 1909 and we fully trust that our condition will be ameliorated by an act of grace which will mark your bright financial adminstration in the Mysore State.

For which act of kindness we shall be ever grateful to you.

We beg to remain,

Sir,

Bangalore,

March 1912.

Your most obedient servants,

M. K. Krishna Rao,

K. Subba Rao.

To

His Highness

Sri Krishnarajendra Wodeyar Bahadur, G.C.S.I.,

Maharaja of Mysore.

May it please your Highness,

We, **the Members of the late Musaheb Kille Cutcherry Bakshi Tippaiah's family**, most humbly and respectfully beg to submit for your Highness' gracious consideration and orders the following representation of ours:—

It would, perhaps, be encroaching upon your Highness' precious time and also reiterating what has already been said and known, if we should begin to narrate the **History of this Family** from the time it commenced its connection with the Mysore State, viz., **A.D. 1629.**

We will, therefore, content ourselves by submitting that our ancestors were held in high esteem by the successive Rulers of Mysore and by eminent British officers and Statesmen with whom they had to come in contact again and again in connection with Mysore and the important issues that arose concerning it from time to time.

Such recognition took a material form in the **shape of a Jahagir** bestowed upon Bakshi Tippaiah and his sons in the early years of the **nineteenth century** and thereabouts.

Owing to causes over which they had no control and which, it would, perhaps, be tiresome to your Highness if we dilate upon, heavy debts were contracted and the Jahagir became encumbered.

G. O. 317-21 (CAMP) MYSORE 6-6-1893.

But for the benign Government of Your Highness, having come to our rescue in 1893, perhaps the Jahagir would have passed out of our family. We are deeply sensible of the noble intentions of Government in granting us a loan of Rs. 30,000.

Their object was—we are most grateful for it—that the Jahagir should **continue in perpetuity** for our family and that the name of such a family should not be effaced by the hands of an enlightened administration.

G.O. Fl. 2487/ GL. Fin. 37-09 BANGALORE, 19-11-1909.

A sum of Rs. 22,000 was advanced in the years 1893—94 and 1896—97; the balance of Rs. 8,000 in 1909—10. The rate of interest is Rs. 5% and the income of the Jahagir is to be credited towards the discharge of

G.O. FL. 4992-5000/ GL. FIN. 317-09, 27-3-1911 & G.O. 2487 GL. FIN. 37-09, 19-11-1911.

both the interest and the principal. Further as the management of the Jahagir was entrusted to Government, the cost of special establishments is also to be met. There is an outstanding of **Rs. 23,000 still due** to Government.

THE position now, as far as we can see, is most embarrassing as will be seen from what will follow. We observe that the income from all the villages in the Jahagir amounts to Rs. 1,400. Out of this revenue, a sum on account of interest and cost of establishments together amounting to Rs. 1,300 has to be met, thus leaving a small sum of Rs. 100 to be credited towards the principal.

AT this rate we cannot hope for the liquidation of the loan in anything less than **two centuries.** This information might perhaps be most appaling but there is the fact.

YOUR HIGHNESS, **it is this situation,** we pray to be saved from. The only plausible course to have the liquidation of the loan effected in a decade or two is, in our humble opinion, by reducing the rate of interest suitably. The noble intention of the Government in granting the loan to this family in the first instance namely **to secure the Jahagir to this family in perpetuity**—would otherwise be frustrated.

UNDER the circumstances which we have humbly submitted, in the above, for Your Highness' benign consideration, we respectfully pray that :—

(1) the rate of interest may graciously be ordered to be reduced **retrospectively** from 5% to any rate (not more than 3%) to enable us to get back our Jahagir at least within the next few years.

(2) In the interest of the **Family** it may be graciously ordered that this Jahagir should be made **inalienable** (this Jahagir which we beg to inform Your Highness, has no other encumbrance of any sort upon it) and **unattachable** by any Judicial process.

FOR such concessions, as above, we, as in duty bound, will ever remain loyal and grateful.

We beg to remain,
May it please Your Highness,
Your most obedient and loyal servants,

M. K. Krishna Rao, Inamdar.

To

J.S.Chakravarti, Esquire, M.A., F.R.A.S.,
Financial Secretary to the Government of Mysore

Sir,

With reference to your letter No.Fl 4481/G.F.286-10-19 dated the 23rd April 1912 calling for a report on the petition of T.Srinivas Rao, Inamdar of Tirunally village in the Hunsur Taluk, I have the honor to state as follows:-

On the 28th September 1911 Ex Agent Srinivas Rao, on the one side, and Venkata Rao and Krishna Rao of the 3rd Branch of the late Bakshi Thippia's family entered into an arrangement, under which they agreed to receive a sum of Rs 1008/- in full satisfaction of the claims in dispute between them. On the 9th October 1911 the petitioner applied to the Sub Divisional Officer Mysore, requesting to give credit to certain items of money which he forgot tomention while entering into the arrangement. The Sub Divisional Officer thereupon requested this office to send back the connected records as petitioner wanted in fact, to re-open the question, for further enquiry.

In the meantime ie on the 16th October 1911 the petitioner again presented an application to the Sub Divisional Officer retracting his former petition dated 9-10-1911. The Sub Divisional Officer then submitted the same to this office for orders, as Srinivas Rao agreed to abide by the terms of his original agreement dated 28-9-1911. The matter having been reported to Government for orders, Government in their Proceedings No.Fl 4996-9/G.F.286-10-3 dated the 18th May 1912 passed orders directing that the share of the revenue of the village due to Sreenivasa Rao may be credited towards the loan of Sannu Rao and others to the extent of Rs 1008. In

The file is as it is put up in connection

In spite of the above circumstances Srinivas Rao has submitted the present petition, and there appears to be no good ground for re-opening the question. The petition received with the letter under advertance, together with the marginally noted papers is herewith submitted for perusal and obliging return.

I have the honor to be,
